

## eScrip Content

The <Ed Fund> uses the eScrip program to earn money at no cost to you! eScrip rewards customer loyalty at participating merchants such as Safeway by contributing a percentage of your total purchases. Once you enroll, the funds are directly deposited to the <Ed Fund> which goes direct to the children at <School>.

Remember to use your debit card or cash for your Safeway purchases to receive credit for <School>. In addition, you can sign up your credit card for purchases at Lunardi's and local restaurants too!

**SIGN UP NOW** by going to [www.escrip.com](http://www.escrip.com). If you are already signed up, please ensure that you re-register your Safeway Club Card online by October. If you renew or sign yourself up, you do not need to fill out the box below.
